

AERO

ALFREDO TASCA | RAFFAELE LAZZARI
ANTONIO AMENDOLA | ELVIRA CERRATTI

The Aero, designed by Alfredo Tasca, Raffaele Lazzari, Antonio Amendola and Elvira Cerratti, is a mixed-use litter bin made of a steel frame covered by a sturdy powder coated steel or electropolished stainless steel shell. The powder coated aluminum lid is equipped with two gas struts, which are activated with the release of the snap lock. The lid can be supplied in different colors to identify different types of waste. Aero is provided with your choice of three or four steel inner liners. Suitable for indoor use only. Custom graphics are available upon request to make the Aero as you like it.

MATERIALS & FINISHES
