

YES

ALFREDO TASCA

The YES, designed by Alfredo Tasca, is made of a robust sheet metal structure, with a 45° sloped cover and a hinged door that opens from the side via a spring steel blade slam-lock. The opening is framed in electropolished stainless steel with an integrated ashtray. An inner ring is present to secure a waste bag. The YES is offered with vertical teak wood slats sides or entirely in steel. Upon request, custom laser cut graphics are available to make the YES litter bin as you like it.
