

Anastasio, Makatite, Realgar

ADRIANO VENUDO, VALTER TRONCHIN

Anastasio

Makatite

Realgar

The Anastasio, Makatite, and Realgar are three variances of a bench designed by Adriano Venudo and Valter Tronchin. The base seat is made with Pietre di Marmo Concrete. The Anastasio can have a variety of backs added in hardwood or powder coated steel (either straight or inclined).

Materials and Finishes:

- Pietre di Marmo (PDM)
 - Granite
 - White Marble
 - Black Marble
- Standard Finish
 - Polished top and sandblasted sides
- Accessories
 - Hardwood backrests
 - Powder coated steel backrests

Treatments:

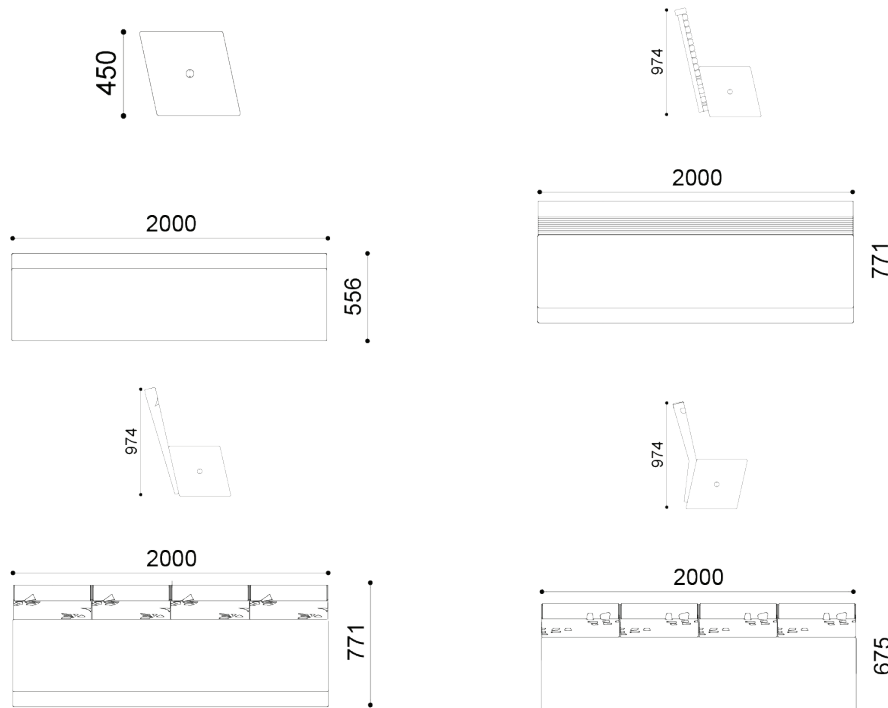

- Anti-graffiti for concrete and powder coated components (upon request)
- Zinch Rich TRIPLEX primer for powder coated steel (upon request)
